

LEARNING UNLIMITED PREPARATORY SCHOOL (LU) TODDLER ACADEMY TUITION AGREEMENT 2021-2022

1. I hereby register my child(ren) _____,
Date of Birth: _____, for enrollment in the Toddler Academy for August 3rd, 2021 to June 30th, 2022 and expressly agree to comply with the following terms and conditions:
2. This agreement is valid only for August 2021 to June 2022 and does not entitle my child to any future enrollment with LU.

Academic hours for children in the Toddler Academy are 7:45 a.m. to 5:00 p.m.

On or before May 15th, 2021, the entire first installment is due for the 2021/2022 academic year. The remaining 10 payments are due the 1st of each month in every school year (September – June, fixed yearly).

3. **Tuition**
 - a. Tuition per month per child for the Toddler Academy is \$750.00, for 11 months from August 1st, 2021 to June 30th, 2022. I (we) have received and read a copy of the LU Payment Options, which I (we) understand is incorporated into the terms of this Tuition Agreement.
 - b. Families with more than one child enrolled full-time at LU may receive a discount for each additional child after tuition has been paid at the regular full-time rate for the child with the highest regular tuition rate (i.e., the discount will be a percentage of the lower tuition amount).
 - c. Tuition may be paid annually in one lump sum (\$8,250) or in eleven equal (11) monthly installments. Tuition payments can be made either via cashier's cheque or personal cheque, drawn on a reputable bank, or credit card with a 4% additional administrative fee. No cash payments, please.
 - d. There is a five-day grace period after each month's payment due date. After this grace period, a US\$ 50 late fee will automatically become due and LU reserves the right to withdraw the student from enrollment. Re-enrollment fees will be due if the child is to be re-enrolled at a subsequent date.
 - e. A US\$ 50 administrative fee will be due in the event a cheque is returned for lack of sufficient funds, along with appropriate late fees.
4. **Extra Fees**
 - a. There are additional graduation fees (photo package, cap & tassel, and gown rental) for students in Kindergarten, Grade 5, and Grade 12. The per student graduation fee for Kindergarten and Grade 5 is US\$ 75. The per student graduation fee for Grade 12 seniors is \$125.
 - b. For new students, a non-refundable first installment is due upon enrollment. Please note, that for all students, tuition does not cover the cost of workbooks, consumable classroom periodicals and novels, P/SAT preparation books and fees, Honors/AP course fees and classroom materials, foreign language textbooks, Electronic Textbooks (E-books), or personal supplies (e.g., activity fees, extracurricular fees, technology fees, pencils, markers, glue, etc.).
 - c. For students new to LU there is also a one-time testing / visitation / evaluation / registration fee of US\$ 100.
5. **After-School Childcare Program**
 - a. Students who are not picked up by 5:15pm will be subject to an aftercare fee.
6. **Lunch & Additional Supplies**
 - a. All students at LU are expected to order lunch/snacks from the canteen or bring their own lunches/snacks from home on a daily basis. Students may not use the staff microwave at any time.
 - b. Parents must supply extra clothing, diapers, wipes, milk/water on a daily basis for children in the **Toddler Academy**. A full list of supplies required will be issued upon registration.
7. **Insurance**
 - a. All students at LU are expected to have their own medical insurance and dental insurance, and are expected to be covered by third party liability insurance. These respective insurance policies are expected to cover accidents that occur at school or on any school-sanctioned event or field trip. As parent(s) of a student at LU, I (we) expressly acknowledge that there has been no express or implied agreement by LU to provide insurance coverage of any kind or be subject to any liability for accident or injury to my child(ren).
 - b. As parent(s) of a student at LU, I (we) will be responsible for any loss, damage or destruction by my (our) child(ren) of any property of LU and any damages for which LU becomes liable or chargeable because of my (our) child(ren)'s actions.

8. **Withdrawal**

I (we) understand that by enrolling my (our) child(ren) for the academic year beginning in August 2020, and by submitting the signed tuition agreement, a space will be reserved in the applicable grade specifically for my (our) child(ren). I (we) understand that registering my (our) child(ren) without enrolling said child(ren) or withdrawing during the academic year will cause difficulty, since student spaces cannot or may not be filled. I (we) also recognize that as an independent private school, Learning Unlimited Preparatory School's budget is based solely on tuition. Therefore, I (we) specifically agree that once my (our) child(ren) is(are) registered and guaranteed a space, if my (our) child(ren) is(are) withdrawn or dismissed for any reason, I am (we are) obligated to forfeit the first month's tuition, and pay for any outstanding tuition and/or fees due throughout the remainder of the school year as per contract agreement.

9. LU serves students who are able to function successfully in typical classroom or group settings. Children with special needs may be accepted on a conditional basis only. If, in the sole discretion and judgment of the administrative staff of LU, a child is deemed unable to function in a typical classroom or group setting, and/or the academic program is deemed not able to meet the special needs of a child, the family of said child may be asked to pay additional fees to cover the costs of additional school and classroom personnel, services, resources, and programs. If not, the parent may be asked to withdraw the child from enrollment. In this event, LU will work with the family of said child in finding alternative care.

10. LU has an active Parent Advisory Committee (PAC). As LU's fees are very reasonable compared to other similar, private, accredited schools around the world, PAC's role is to support the school in a number of capacities as well as fundraising and social activities and events. It helps LU acquire those items for the students and staff which are not readily available in the school's budget. For this reason, we expect all LU families to participate and assist PAC when called upon.

11. **Dress Code and Appearance Standards**

- a. Students are required to comply daily with the School's dress code and appearance standards. Uniform is optional for students enrolled in the Toddler Academy. LU uniform information is available from the office and uniforms may ONLY be purchased from our authorized uniform suppliers, Penny's and Super Plaza, located in Philipsburg and the 0-14 Kids Store on AJC Browers Road.
- b. There will be no exemptions from the dress code and/or the appearance standards for personal, religious, and/or cultural reasons.

12. **Comportment**

- a. LU requires that its students, parents, faculty, and administration to follow the rules and regulations of the School. The undersigned parent(s) recognize(s) that this tuition agreement is for the entire academic year and agrees that LU may require the withdrawal or dismissal of any student if, in the LU's sole discretion, it concludes that such student's or parents attitude, influence, progress, or behavior does not serve the best interests of the School.
- b. The undersigned parent(s) also understands that a positive and constructive working relationship between the School and a student's parents is essential to the fulfillment of the School's mission, and agree that the School may terminate enrollment or decline to re-enroll a student if the School concludes that the student's parents have engaged in conduct which is detrimental to the school or do not abide by School policies.
- c. In the event LU expels a student, no part of the year's tuition will be refundable, and all payments due up to the date of expulsion, plus any remaining tuition balance, are considered due.

13. I hereby authorize LU to use my child(ren)'s photograph and/or appearance in any LU related advertising or other media.

14. I have read and understand the terms of this tuition agreement, and I agree to accept the rules and regulations of the Learning Unlimited Preparatory School, Sint Maarten. The laws of the country of Sint Maarten apply to this tuition agreement. The court of First Instance of Sint Maarten will be the chosen court in case of any dispute arising out of this tuition agreement. I hereby agree to abide by all of the academic and conduct policies established for both students and parents, including payment of my family's financial obligations towards LU, as well as the policies, rules, regulations, and standards of conduct, and dress codes as established by LU in its Student / Parent Handbook and as may be published in future Handbooks and/or school directives. I (We) and my(our) child(ren) further agree not to engage in any conduct or activities which may be disruptive or detrimental to the reputation of LU or to the administrative, educational or extracurricular environment of the school. I also agree to any stipulations so stated in the letter of acceptance (for new students) or letter of invitation to return (for returning students) which stipulations are considered part of this agreement.

15. The School's duties and obligations under this contract may be modified, altered or temporarily suspended without notice effective immediately during all periods that the School is impacted in its ability to deliver its educational services/products in its usual manner or on its usual schedule because of force majeure events including, but not limited to, any fire, act of God, hurricane, war, governmental action, act of terrorism, epidemic, pandemic, or any other event beyond the School's control. If such an event occurs and the School determines it will close or otherwise alter how it delivers its services, the School's duties and obligations in this Contract may be postponed, altered or delivered in an alternate format until such time as the School, in its sole discretion, determines to return to regular operations or reopen. Under these circumstances, the school reserves the sole right to decide the most suitable way to impart its curriculum whether temporarily delaying delivery of its curriculum or delivering the curriculum virtually, in a hybrid or staggered in-person format, or by some other means. To be clear, as mere examples, the School retains the right under such circumstances to change school or class schedules or dates of educational delivery, add school days, provide virtual or other learning among other measures. The Parent(s) and/or Legal Guardian(s) as signers on this contract understand, acknowledge and agree that, should the School elect to discontinue, modify, or reduce classes, instruction, or other academic or non-academic services by reason of or relating to a Qualifying Event, then no refund, reduction, rebate, or credit of any amount due or to become due to the School under this Enrollment Agreement or otherwise shall be payable or provided to Parent(s) and/or Legal Guardian(s)".
